Retail Price List

Vanson Leathers, Inc. is a manufacturer of high quality garments. Our garments are considered by many to be above the standard of quality in the garment industry. We stand behind our product and we are committed to our customer's satisfaction.

Warranty

Vanson offers a one-year warranty from the date of purchase on all of our leather garments against defects in workmanship and materials. Defective garments will be replaced or repaired at our discretion subject to our determination that they have not been abused or mis-used. All returns must be freight and insurance pre-paid and, unless the merchandise was shipped in error or defective, we reserve the right to a 15% handling charge on all warranty returns. This warranty is in lieu of all warranties expressed or implied.

Repairs

Vanson considers non-warranty related work performed on finished products to be repairs. Repairs can be reconstructed to fix wear or damage as well as refitting. We charge \$60.00 per hour labor + materials. Please call for estimate of cost and production lead-time.
